

Apparatus Reimbursement Levels

You may claim either mileage or hourly/daily rate, but not both

The state will reimburse whichever is the lesser amount between the daily and hourly rate

Daily rate is equal to 14+ hours.

Rates are from the Department of Lands' Fire Service Organization Rate Book, the state Highway Technical Assistance Program guidance and have been updated to current year.

Apparatus	Apparatus Only		
	per hour	daily rate	mileage
Fire Engine 1	\$104	\$1,456	\$0.66/ mile
